### PRICES AND SURCHARGE

**When applying special coloring and techniques such as flamboyages and balayages we need more time and products to achieve a beautiful and desired result. This also applies to extra long or thick hair. Additional charges apply.**

**Ask for these prices at our colorists.**

## HAIR EXTENSIONS & KERATINE TREATMENTS

We work with various suppliers and systems for hair extensions and hair volume: loose wax extensions or hairweaves through micro rings or braids.

Depending on the desire and possibilities, we have different prices tailored to your needs.

This also applies to our keratin treatments. (permanently straight hair for several months)

Feel free to ask one of our specialists for information and advice about the possibilities and prices.
